ANIMAL SHARE PROGRAM

Our Animal Share program is a way to purchase meat in bulk as either a whole or half animal. We can custom package your meat and pack it in vacuum sealed packages as steaks, roasts, ground meat, and bones. Purchasing your meat this way allows you to enjoy all of the cuts at an economical price. Many people choose to purchase an Animal Share with friends or family, as a way to handle the amount of meat that comes with a purchase. Buying in to an Animal Share is an excellent way to stock up on high quality, grass fed, organic, non-gmo, and pastured raised meats while supporting local and regional farmers and your neighbors who are employed with us.

Please note that all prices include home delivery! Please discuss other details of your purchase with our sales team by contacting sales@marinsunfarms.com.

With Gratitude for your support,
The Marin Sun Farms Team
