

## MARIN SUN FARMS

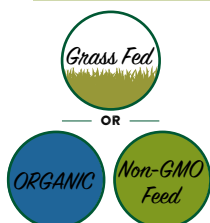

# ANIMAL SHARE PROGRAM

The Marin Sun Farms Animal Share is a way to purchase meat in bulk as either a whole or half animal carcass. The carcass can be left as-is, or custom butchered in vacuum sealed packages as steaks, roasts, grind and bones.

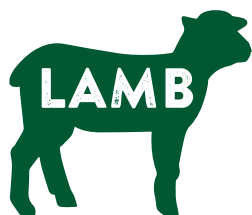

Purchasing your meat this way allows you to enjoy the whole animal. Many folks share with friends, or stock their freezers to feed their family. Buying a Marin Sun Farms Animal Share is a more economical way to stock up on high-quality grass fed, organic, non-gmo and pasture raised meat.

The process to order an Animal Share takes several weeks. First you send us your order. Then we select your animal and bring it in for harvest. You pay on the carcass weight of the animal, not the returned pounds of cuts. We will coordinate pickup at our locations in Petaluma, Oakland, or Point Reyes Station, or consider delivery if necessary.
